## **Document Title:** Health & Safety Policy Statement

MAMBU Consult Ltd is committed to ensuring the health, safety, and welfare of all employees, consultants, contractors, clients, and any other persons who may be affected by our business activities.

As a Mechanical and Electrical (M&E) consultancy, our activities include engineering consultancy, technical surveys, inspections, design work, and attendance at construction sites. We recognise that these activities may expose staff to potential hazards when visiting operational buildings, plant rooms, and construction environments.

The company is committed to:

- Complying with all applicable health and safety legislation and regulations.
- Providing a safe and healthy working environment.
- Identifying hazards and managing risks through effective risk assessments.
- Providing information, instruction, training, and supervision necessary to ensure competence.
- Consulting with employees and other stakeholders on health and safety matters.
- Preventing accidents, work-related ill health, and unsafe conditions.
- Continually improving health and safety performance.

Health and safety is a shared responsibility and all employees are expected to actively support this policy.
